In an estate located in Tres Torres, one of the best areas of Barcelona, there is a very unique first floor, with direct access to a garden that surrounds the entire perimeter of the house.

It is a building with four winds, four floors high and only one neighbor per floor. The house of 168sqm to renovate, has a large living room with fireplace, which has direct access to the garden. The night area, differentiated from the rest of the house, has four bedrooms, three of them doubles and one single, a large bathroom and a maid's room with bathroom. A large kitchen with integrated office completes this first floor which is a green oasis in one of the most sought after

areas of Barcelona. The property has a storage room and there is the possibility of parking for rent very close to the building.
