In the prestigious residential area of Les Tres Torres, with very good connections to the exits of Barcelona both by the Ronda del Mig (which connects to the airport), as well as by the Ronda de Dalt and the Túnel de Vallvidrera, we have this beautiful family flat. From the entrance, its distribution is very harmonious. On the left hand side, we find the day area, very spacious, with ideal dimensions to combine a pleasant living room area and a large dining room. From the living room, there is also access to the terrace. The kitchen, which can be accessed from the living room or from the entrance of the flat, is very spacious and is equipped with top brand appliances. It also has an office space with a large table for up to four people, and access to the laundry room, which also houses the

flat's boiler (gas). The sleeping area consists of four bedrooms, all of them double with built-in wardrobes, and two partially furnished with children's furniture. The master bedroom has a complete ensuite bathroom, while the other three bedrooms share two complete bathrooms, all of them recently refurbished. The flat has parquet floors, natural gas heating, air conditioning, and a large parking space. Would you like to live here?
