In the quietest area of the Tres Torres neighbourhood, we find this semi-detached house of 230sqm on two floors.

From the entrance hall we access the large living room with access to the terrace and the front of the house. From the hall, we reach the separate dining room with views to the quiet back part of the house, from where we access to the eat-in kitchen, fully equipped with quality appliances, where we also find the maid's room with its bathroom. In the central part, we find the staircase, which gives us access to the upper floor, where there are two en-suite bedrooms, both with access to their individual terraces, and two other double bedrooms sharing a

bathroom with bathtub. Outside the house, there is a shed that can be used as a garage or as an additional games room or office. At the back of the house, down a staircase, there is a storage room and the laundry room where the washing machine and dryer are located. The property is just a few minutes away from the Tres Torres stop of the Catalan Railways and the cinemas near Turó Park. Would you like to live here?
