This magnificent detached house of approximately 330M2, oriented to four winds, is located in the mountain of Montjuïc, the green and cultural lung of Barcelona.

In a residential area, surrounded by green areas and nature, it concentrates the activity of two great events, the world fair of 1929 and the second one the Olympic Games of 1929. We access the house through the garden and swimming pool area. The house is distributed over three floors. On the main floor and the one that gives access to the house, we find the entrance hall with a first living room on the left, then the spacious living room divided into two areas. The bright eat-in kitchen blends in with

nature and its views of Barcelona through the windows. In addition, the floor has a courtesy bathroom with washbasin. We access the upper floor through a beautiful wooden staircase, which leads to the hallway of the night area. We find the suite which has access to a pleasant terrace with views of the city and the gardens. There are also three exterior and very bright double bedrooms, which share a large bathroom with bathtub and shower. On the ground floor, there is a multipurpose room as well as a large pantry. At the same level of this floor, there is a garage for two cars and other...
