The apartment is in one of the most privileged areas of the upper part of Barcelona, with a great location and a few meters away from the Diagonal.

The property is surrounded by shops and has good communication with public transport. This 104sqm house is located on the top floor of the building so it has sun all day. Currently it is composed of a hall, a dining room and an independent kitchen with a utility room. The sleeping area consists of four bedrooms all outward facing and very bright and two bathrooms. It needs a total reform. It has many possibilities since the floor is completely square.
