Located in a strategic area of the Sant Antoni neighbourhood, in Barcelona's Eixample district and just steps from Sant Antoni Market, this former industrial building has been fully renovated to high architectural standards, creating modern, flexible homes with a very special charm. Originally built in 1863, the building has recently undergone a complete refurbishment and now incorporates technology suited to contemporary living. The property also features a lift. The day area offers a very bright dining space with an open-plan kitchen fully equipped with high-end appliances, connected to a living room with two large windows that

flood the space with natural light. The night area comprises two double bedrooms with large double-glazed windows and built-in wardrobes, one of them en suite. The second bedroom has access to a full bathroom with a bathtub. Notable features include large windows and doors with high-quality carpentry and acoustic and thermal insulation, high ceilings, wooden and handcrafted ceramic floors, and an efficient arothermal heating and air conditioning system. The property perfectly blends tradition and modernity, preserving its historic character while creating architecturally striking spaces that...
