The apartment, of 95sqm useful and 71sqm of terrace, has a double orientation to the large and quiet inside patio, and to Viladomat street. Currently it is distributed in 4 bedrooms, 1 bathroom, 1 toilet, living room, dining room, separate kitchen and large hall. The laundry area is located outside. The house has many possibilities for reform and original elements of the time can be recovered, such as the hydraulic floors and the moldings on the ceilings.
