Located in the iconic Sant Antoni neighborhood, just steps from the famous market and all kinds of services and public transport, in a fully renovated classic building with a lift and communal areas, we find this charming and cozy loft, fully ready to move in. The property is a first floor facing an inner courtyard. It is a convertible residence. The building offers outstanding communal areas such as a rooftop terrace with outdoor showers, lounge and social bar, bicycle parking, wine cellar, laundry room, coworking space, gym, and cinema room. This is a new concept of convertible apartments equipped with a system of sliding panels that allows transforming one open space into a two-bedroom en-suite apartment with foldaway beds hidden in made-to-measure wardrobes stretching from one end to the other. The central core contains the kitchen and bathroom. The kitchen is fully equipped with integrated appliances (dishwasher, oven, oven-microwave, coffee maker, and fridge), Zucchetti taps, and a Porcelanosa countertop; the bathroom is divided into three separate areas with double access from each bedroom. The apartment we present offers 69?m² built area and the possibility of 1 or 2 bedrooms, with access to a terrace of approximately 30?m² facing the inner courtyard. A unique opportunity full of charm and comfort in one of the city’s most vibrant neighborhoods!
