In the lively Sant Antoni neighborhood—surrounded by shops, restaurants, and just steps away from the iconic Sant Antoni Market—you'll find this fully renovated and equipped apartment, ready to move into! The building dates back to 1910 and features a modernist entrance. The renovation has been carried out with great attention to detail and taste, preserving the Catalan vaulted ceiling in the living room and main bedroom, and restoring the original hydraulic tile floors. The apartment offers a living-dining room with an open kitchen and two French balconies facing the street, an interior terrace, one double bedroom, one single bedroom, a full bathroom, and a guest toilet. It comes fully furnished and stylishly decorated—even including plants and mirrors! The images currently

shown are renders, as the renovation is not yet complete, but it will be finished by the end of May. Viewings can already take place—be a part of its transformation!
