A 130 m² apartment in a classic 1955 building, with one apartment per floor and a lift, on the corner of Calle Calabria and Avenida Mistral, in the Sant Antoni neighbourhood of Barcelona's Eixample. It has been completely renovated, and it suits anyone who wants the charm of a period building with fully contemporary interiors. The renovation has created a modern, functional and bright space. The living-dining-kitchen area flows into a single open room, and the home has three bedrooms, one of them an en-suite, and two full bathrooms. It also has a separate utility area and a 4 m² outdoor balcony that extends the living room towards the street. If you're wondering which renovated apartments are for sale in Sant Antoni, this one is a fit for anyone who wants to live in the centre without giving up comfort: a family that needs three bedrooms, or a couple who want room to work and entertain. The neighbourhood has healthcare and schools nearby, plenty of places to eat, and excellent transport links, so daily life can be done on foot. Available for €995,000, this apartment is a chance to move into a home that feels brand new, in one of the liveliest areas of the Eixample. To find out more, arrange a viewing or receive the full project documentation, the aProperties Real Estate team in Barcelona will be delighted to assist you and guide you through the whole process.
