Spectacular flat, located in Carrer Balmes close to Plaza Molina, totally refurbished, in a building from 1967. The property is distributed in one floor of 103 sqm, open plan, recently refurbished with light, good distribution and spacious rooms. On entering we find a large open-plan entrance that gives direct access to the living-dining room with lots of daylight thanks to its east orientation and its large windows next to the kitchen. The kitchen is fully equipped and integrated, spacious and offers high quality finishes. In the night area there is a complete bathroom and two interior double bedrooms, one of them en suite with bathtub.

At the end of the living-dining room on the left, there is a third double bedroom with en suite bathroom with shower. The property offers parquet floors, aluminium carpentry with double glazing, air-conditioning by heat pump/cooling ducts in all the rooms and uninterrupted concierge service from 08:00 to 22:00 with 24h video surveillance. There is also the possibility of parking in the same building (not included in the rent). Ideal flat for families, couples or workers sharing a flat. Students not allowed. A unique piece in the neighbourhood of Sant Gervasi, very well...
