In one of the most charming areas of the district of Galvany, we find this stately home with beautiful architectural elements and very well cared for.

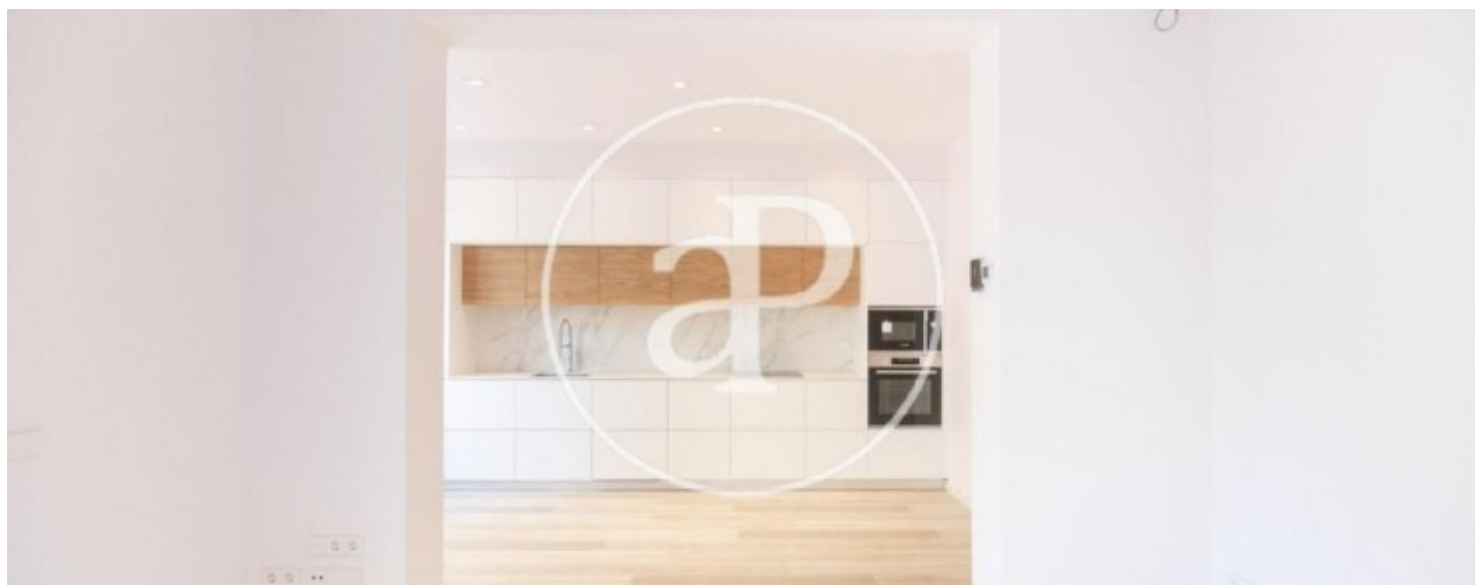

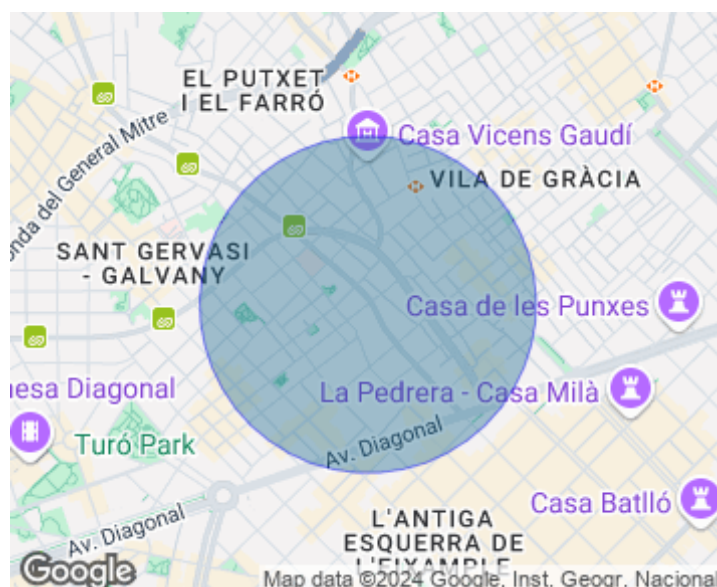

The property is completely reformed with first quality materials, where the elements have been respected, such as the Catalan volta. The kitchen is intelligently integrated into the dining room, giving prominence to the spaciousness. At the foot of the living room we find a beautiful terrace very enjoyable, as it is in a very quiet area. The flat has three generous bedrooms, one suite type, with fitted wardrobes. All with very well cared materials and of high quality in all the elements. It has an air-conditioning

system and window enclosures, designed to achieve maximum energy efficiency, as well as optimal soundproofing.
