This is a unique piece on the market, featuring a top-quality renovation located on Muntaner Street.

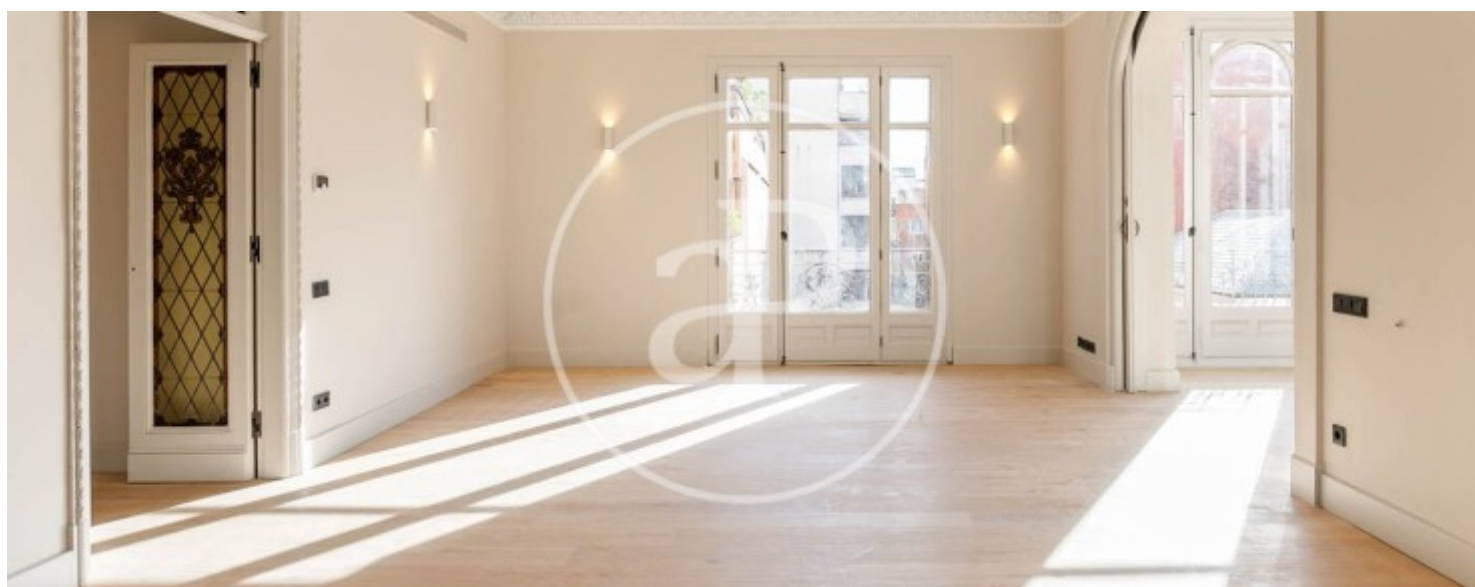

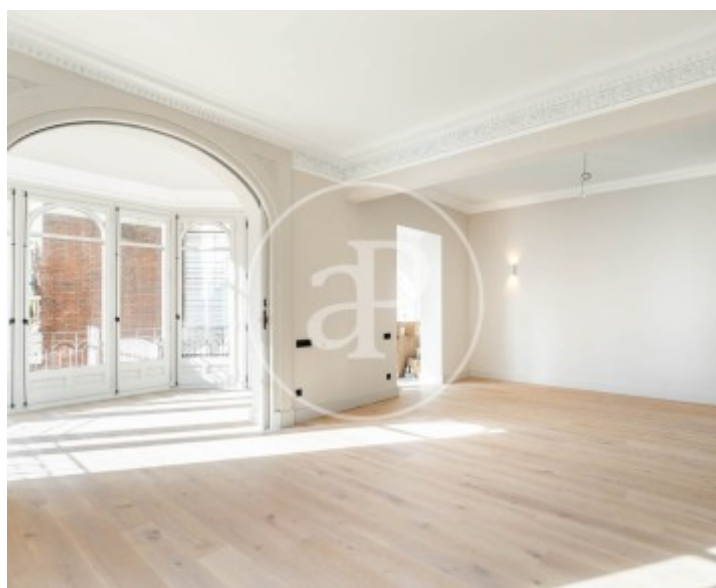

The property has three façades, making natural light the main highlight, and stands out for the exquisite taste in every material and decision made to reform this home. It includes a large entrance hall, four double en-suite bedrooms, and one double room that can be used as a service room, laundry, or office. The integrated living-dining room features an annexed gallery, which was once a terrace but has been enclosed, allowing light to flood the entire apartment. Next to it is an independent kitchen, yet well-integrated into this spacious living and dining

area. The master bedroom offers a large space to create a walk-in closet and has an equally spacious bathroom. The other three bedrooms are also double and en-suite. All bedrooms are exterior with large windows, except for the service room. The renovation is completely comprehensive, with unbeatable quality. The kitchen is fully equipped. Come see it and don't miss the chance to live your dream.
