74 sq m top-floor penthouse apartment, featuring a spectacular 37 sq m private terrace and open views, set in a modern building constructed in 2014.

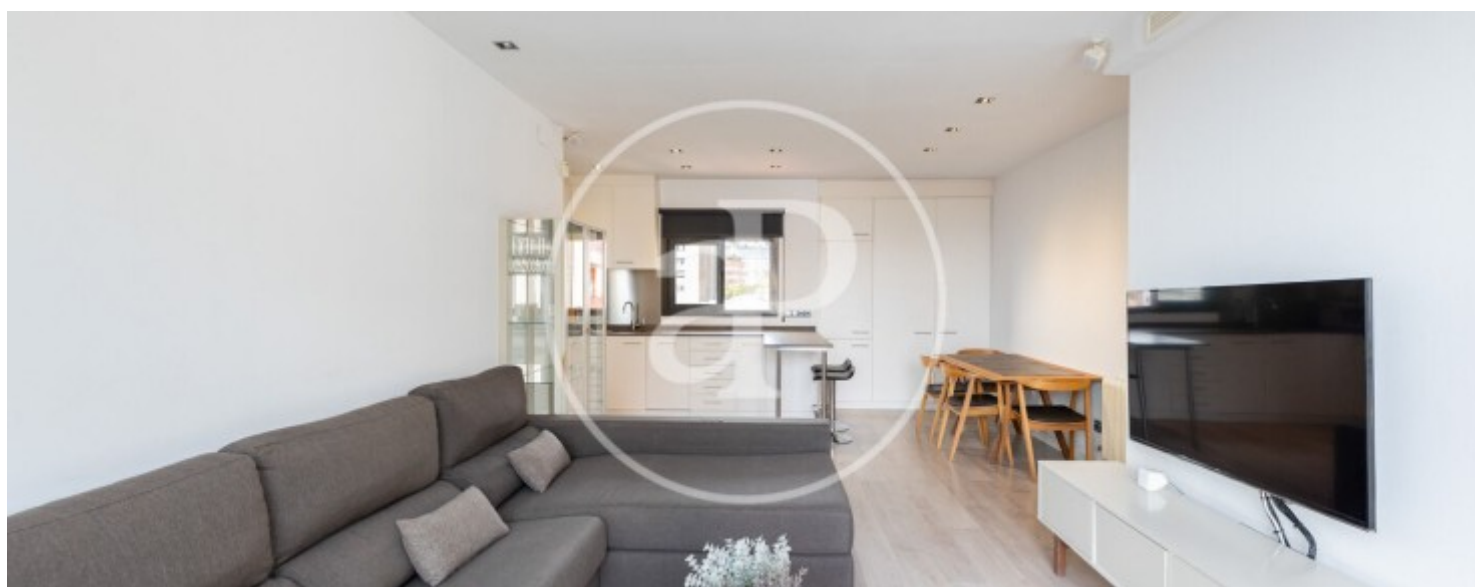

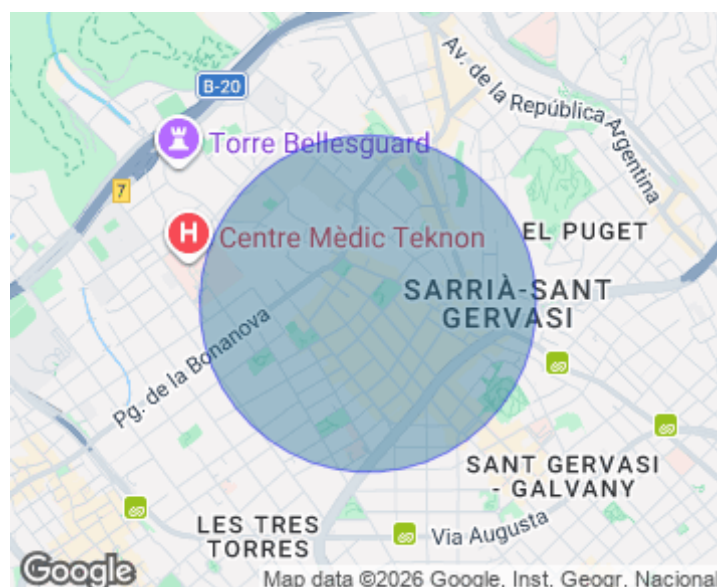

The home features an exceptionally large bedroom, offering space and spaciousness rarely found in a one-bedroom apartment. The terrace provides a true private outdoor space, ideal for enjoying the views, relaxing, or creating a dining and lounging area. The building, with a contemporary aesthetic and a strong urban character, features a concierge service and a polished image reminiscent of residential buildings in New York's Soho. Thanks to its combination of a large terrace, views, interior spaciousness, and a modern

building, this is a particularly attractive home for those seeking an urban apartment with significant private outdoor space.
