Located in the quiet Bonveí street, just a few steps from Rambla Badal, stands this extraordinary house of 116m2 completely renovated and with a distribution perfectly designed to maximize comfort and functionality. Upon entering the first floor, one encounters a carefully designed foyer, which acts as a cozy welcoming space. From here, one enters a spacious living and dining room, illuminated by the natural light that flows through its large windows. Continuing on this floor, we discover a bathroom and a fully equipped modern kitchen. In addition, as an added value, the first floor includes an outdoor patio. On this same floor, there is a double bedroom with a pleasant atmosphere that connects to a storage room, which, thanks to its generous space, could well be transformed into a comfortable

dressing room. Going upstairs, we find three spacious double bedrooms. In addition, this floor has an elegant bathroom. The house has air conditioning through Splits and closets in all bedrooms.
