Very close to Sants Station, we find this singular building.

It is a house with only one registry unit, but that is distributed as if they were three differentiated units. Two floors fully equipped, with terraces for exclusive use, for each of the units. On the ground floor, there is a room that could be fitted out as a home with a pleasant patio where a lot of light enters and which makes it an ideal place for a professional who wants to have a studio home, or someone who only wants it as a home.
