Brand new apartment located in a regal Finca in Paseo Manuel Girona / Capitán Arenas.

The apartment is completely renovated with excellent finishes. Being high has plenty of light in almost every room. It consists of about 170m2 very well distributed. Upon entering the house we find a large hall with closets that differentiates the day and night area. The living room is composed of 3 large windows where we can have a large dining room and a large living area. Next to it is the kitchen office, which communicates with an ironing area and laundry. We have in this area a room that could be used as an office, as well as another room. In this same area we have a

courtesy bathroom. On the other side of the floor we have three double bedrooms and two bathrooms. One of the bedrooms is en suite. All of them with closets. The whole house has a natural park of solid oak matte. The location could not be more excellent, very close to parks, gardens, public transport, stores, restaurants, schools, as well as the exits and entrances of the city.
