In the heart of Sarria, in a 1900's building that has been completely refurbished, we find this flat of approximately 63 m2 totally refurbished and brand new.

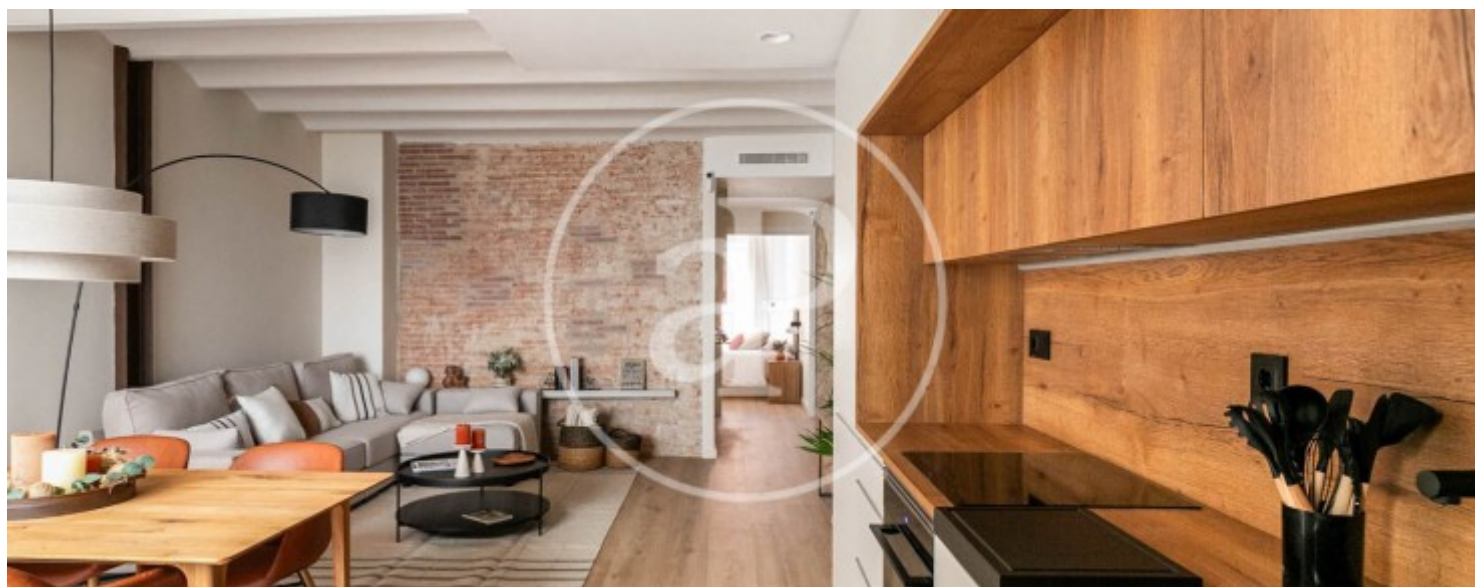

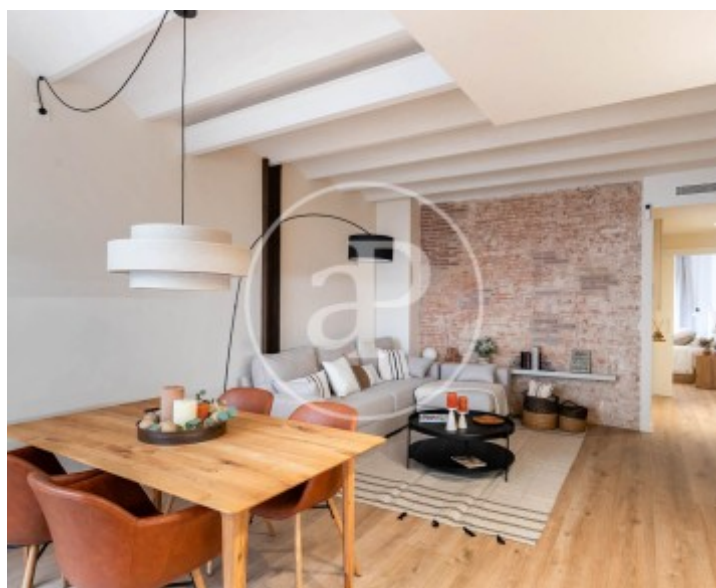

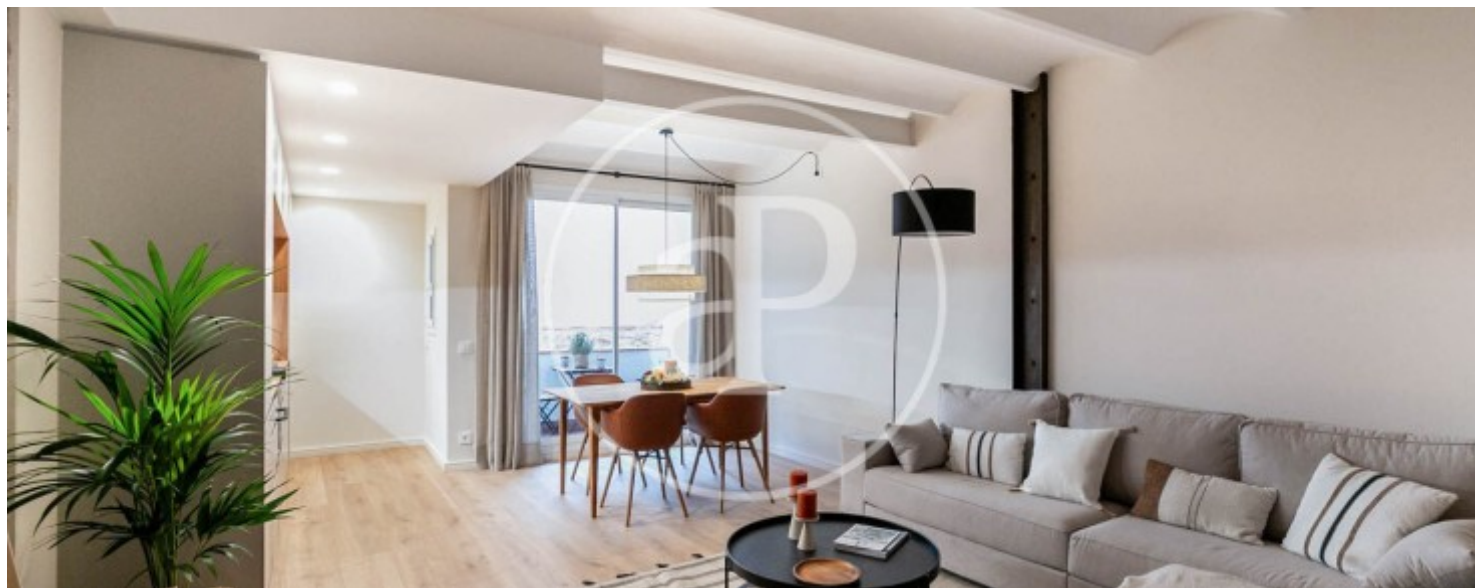

In the refurbishment, the "volta catalana" has been kept in the ceilings, as well as the exposed stone and brick in the walls, giving the property a very special charm. The living-dining room is spacious and very cosy, the kitchen has been opened to the living room giving the day area a unique space that also has an exit to a small balcony-like terrace. In the night area there is a bedroom with built-in wardrobes and a bathroom. Both the bedroom and the bathroom are exterior and overlook a very

quiet semi-pedestrian street. The refurbishment of this property has been carried out taking care of every last detail. The kitchen has top of the range integrated appliances, as well as all the taps and fittings that have been used in the bathroom refurbishment. Air conditioning and ducted heating. The property has a new lift that has been installed in the recent refurbishment that has been carried out throughout the property.
