We find a wonderful apartment with many possibilities of reform, thanks to the fact that the walls do not support any load.

It has about 217 m2 built. We access the house through a large distributor from which all the rooms come out. It consists of a magnificent living room with two rooms, with access to a terrace, a separate dining room with access to a small terrace that communicates with a large kitchen, with separate water area, service room and bathroom. In the night area we have 4 bedrooms, one of them en suite with access to a terrace, the other three are doubles and share 2 bathrooms. The house is totally exterior and stands out for its luminosity. There are a

lot of built-in wardrobes. The building has two elevators and concierge service. The price includes two parking spaces in the same building and storage room. The area is perfectly connected at the same time is very quiet. With all kinds of stores around, schools, parks, etc.. Do not miss the opportunity to live in one of the most prestigious areas of Barcelona. Contact us to schedule a visit!
