In an excellent location, we find these four properties of approximately 250 m² each, which are currently all joined together, forming a duplex of over 1,000 m² with their corresponding terraces. It has been used as office space, although it is registered for residential use, and it also includes two parking spaces in a nearby building. It offers the possibility of refurbishment and conversion into four outstanding apartments of 250–270 m² each, each with its own south-facing terrace, which could feature a large living room, kitchen, and four or five bedrooms.
