In a privileged location, few steps far from the park of Turo Park, we find this splendid property in a quiet street and surrounded by prestigious shops and very good communications.

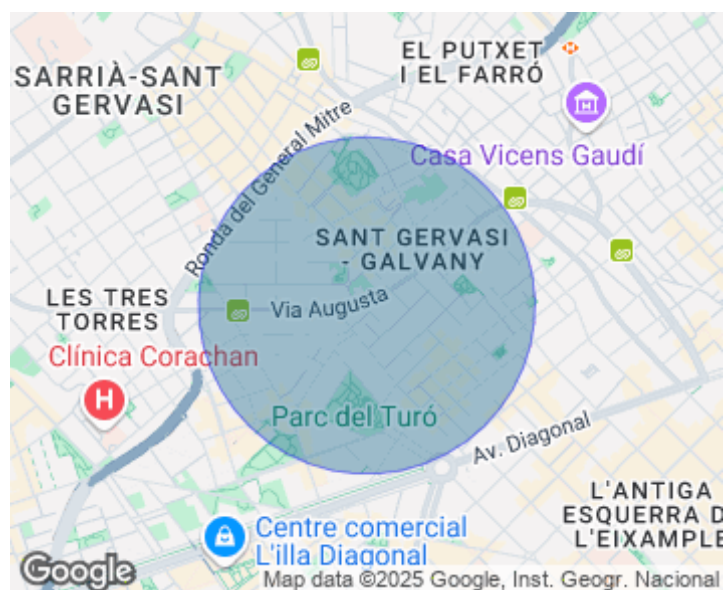

The property has a logical and rational layout, the day area of the night area being clearly differentiated, the day area consisting of a large living-dining room divided into two large spaces with access terrace of 40m² that surrounds the entire flat. It has a large kitchen with a utility room and a room with bathroom service. The night area consists of five rooms, all of them en suite with bathroom and one of them is a master suite with two bathrooms and dressing room.

The property, which is all exterior and very bright, has two parking spaces in the same building, concierge service and 24-hour security. The property needs some updates.
