In a privileged location we find this spectacular apartment of 240sqm, totally refurbished with high quality materials and furnished with designer furniture, with a nice terrace of 220sqm that has access from the whole house. The property clearly differentiates the day from night areas. The day area is composed of a large living-dining room in three main areas with access to the terrace and gas fireplaces, a spacious and full-equipped kitchen with utility room. We also find a guest suite. In the sleeping area we find two suites, one of them a large master suite with two bathrooms and dressing room. The property has two parking spaces in the same building and concierge service.
