Upon entering the house, we find a large, bright open-plan space with a ceiling over 4 meters high. In this space there is the living room, the open kitchen, the guest toilet, and the large outdoor terrace that can be turned into a beautiful garden oasis. From below there is access to a second floor with the night area with a very logical distribution. On this level, open to the room below allowing natural light to fully enter, we find a first complete bathroom, two bedrooms, one of them en-suite with its own complete bathroom

with shower and its dressing room with a window to the outside. The second room also has a dressing room. The apartment is brand new, it has wood floors, a heat/cold pump and built-in appliances. In this place, the wide spaces, the natural light and the large terrace stand out. An ideal home ready to move into! Do not hesitate to ask us for a visit!
