In the fifth real plant of this beautiful classic property, very well taken care of, we found this opportunity of housing with many possibilities of reform.

It consists of a spacious living room with balcony to the main street and facing south, provides the whole daytime space with plenty of natural light. In the night area we find 4 rooms, two of them overlook a gallery overlooking the outside where the toilet is. In the middle of the house are the kitchen and a large bathroom. All the spaces allow a perfect reform to leave the apartment to the personal taste of the buyer. Its unbeatable location, close to shops, schools and various communications, make this property

a unique investment.
