Flat in the heart of Gràcia.

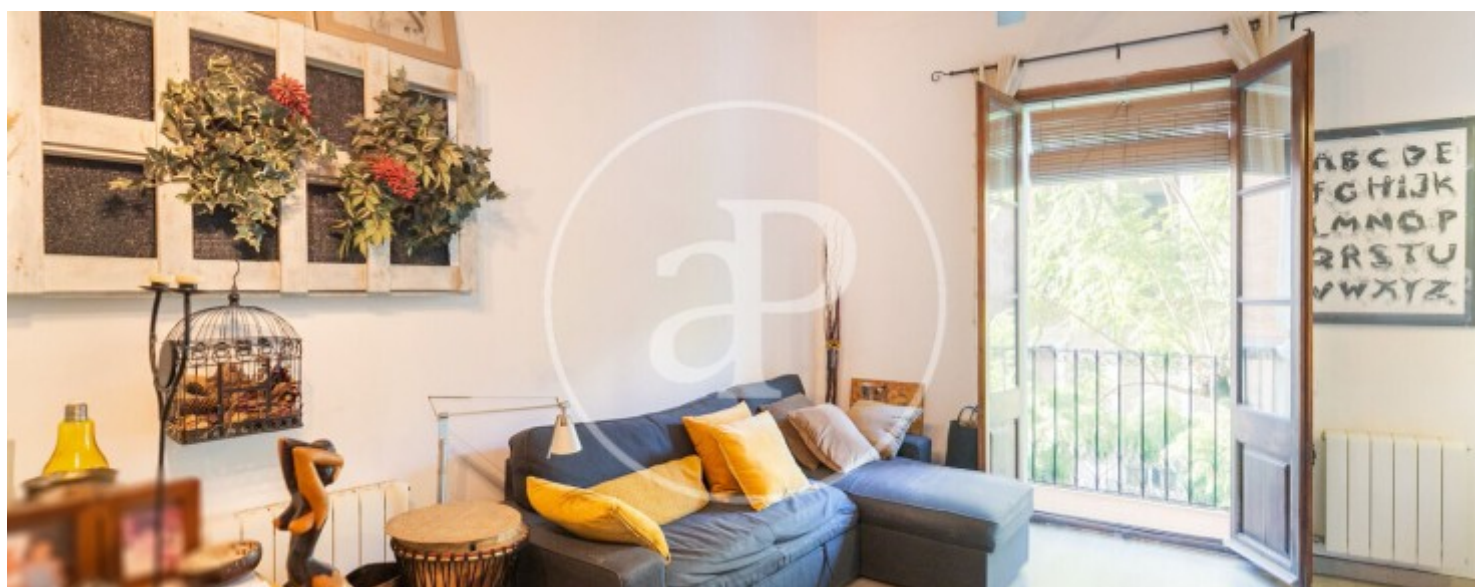

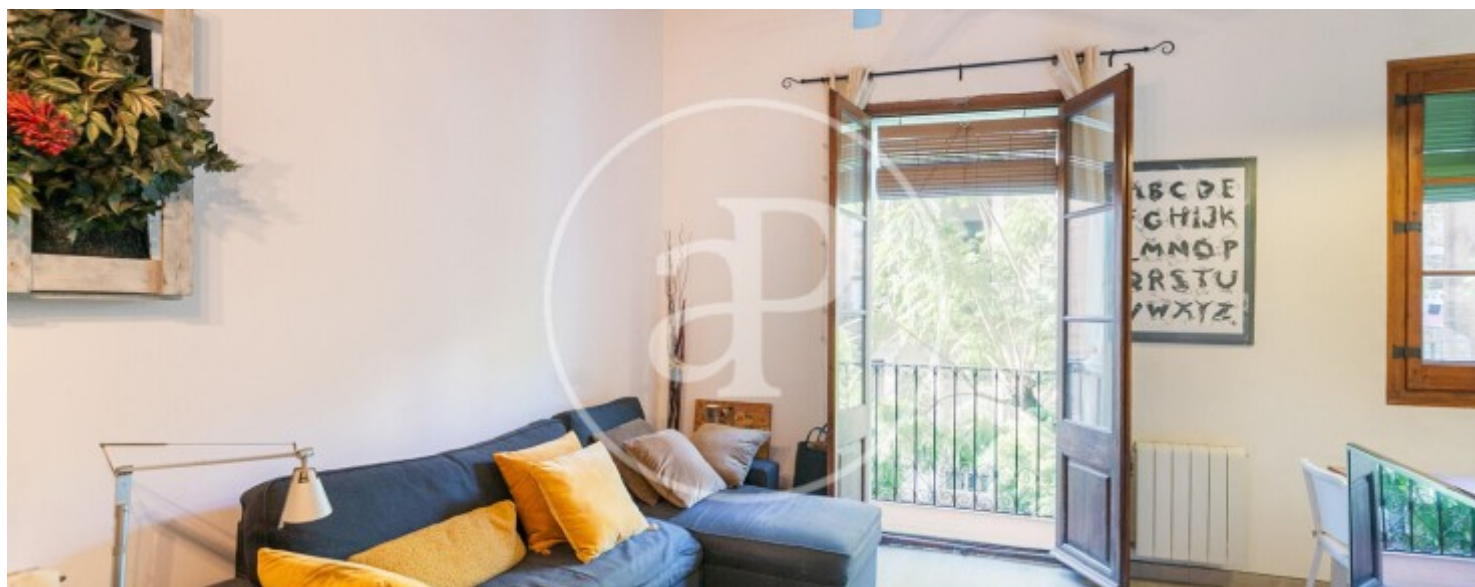

Close to Joanic metro station and ten minutes walk from Fontana. Area very well connected to the city by bus and metro and with all the services of the neighbourhood in the same area. Gràcia is a district that opens its streets and squares to multiculturalism, to the most cosmopolitan artists, to music, theatre and cinema, but without losing its village essence. The area is populated by artists and bohemians. There is a great diversity of population and a large concentration of international restaurants. The squares with their café-terraces. Fontana is the metro stop, from where you can get to the city centre.

Plaça de Catalunya is less than 10 minutes away. Also very close to the metro stop is the cinema which shows films in the original language (original version). First floor without lift. The flat has 60 m², in the style of a building from 1900, with the beams and the Catalan vault, renovated a few years ago with a lot of taste. Formerly it had two bedrooms, which with a wall we could have a second single room at the front of the building. We enter the house and find the day area, a large open space, as it is used nowadays, with an open kitchen to the entrance hall and the living...
