Property with tenants, for investors.

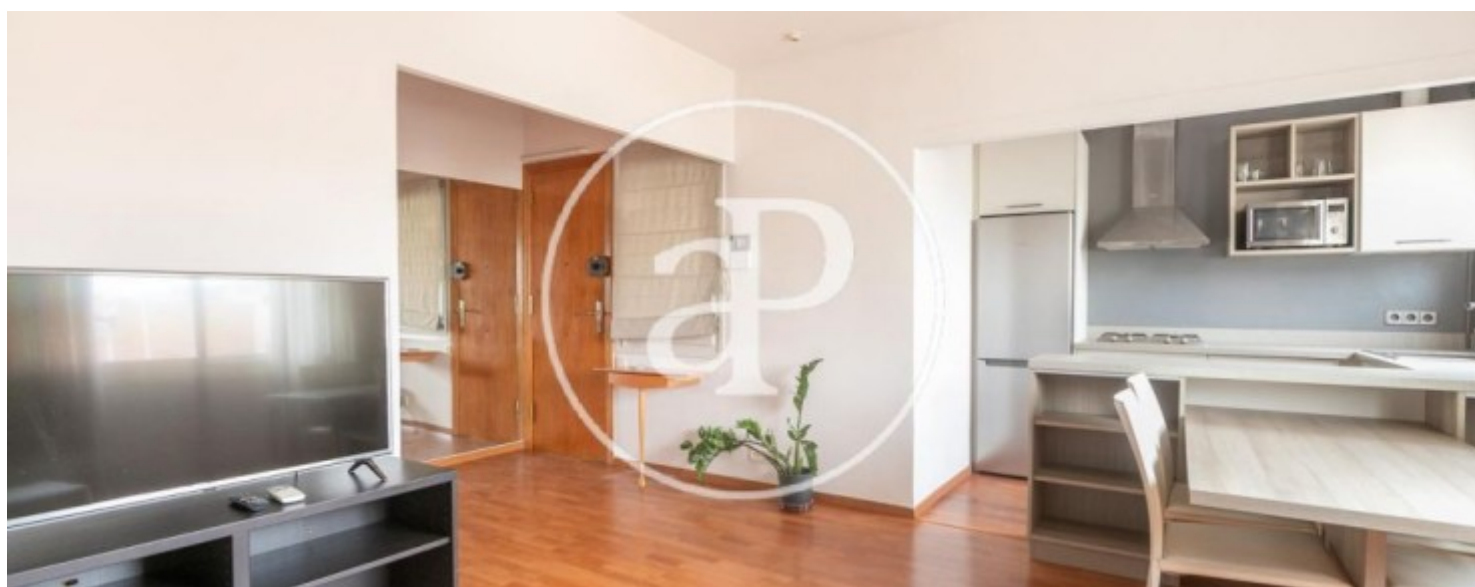

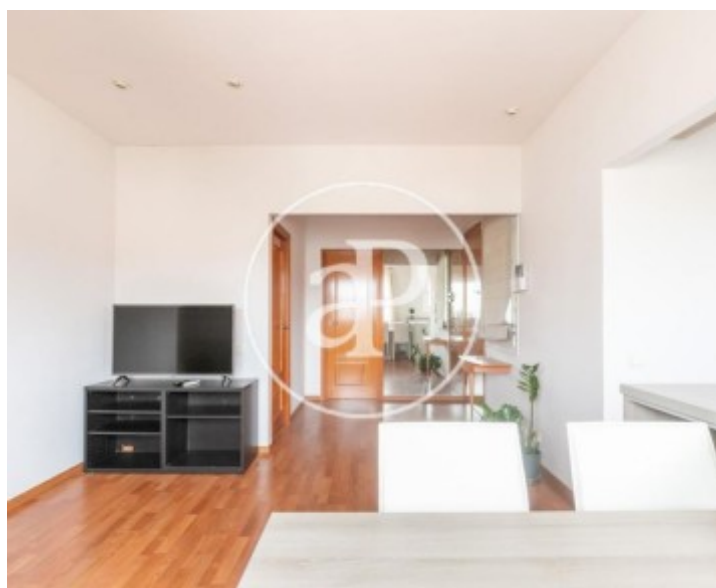

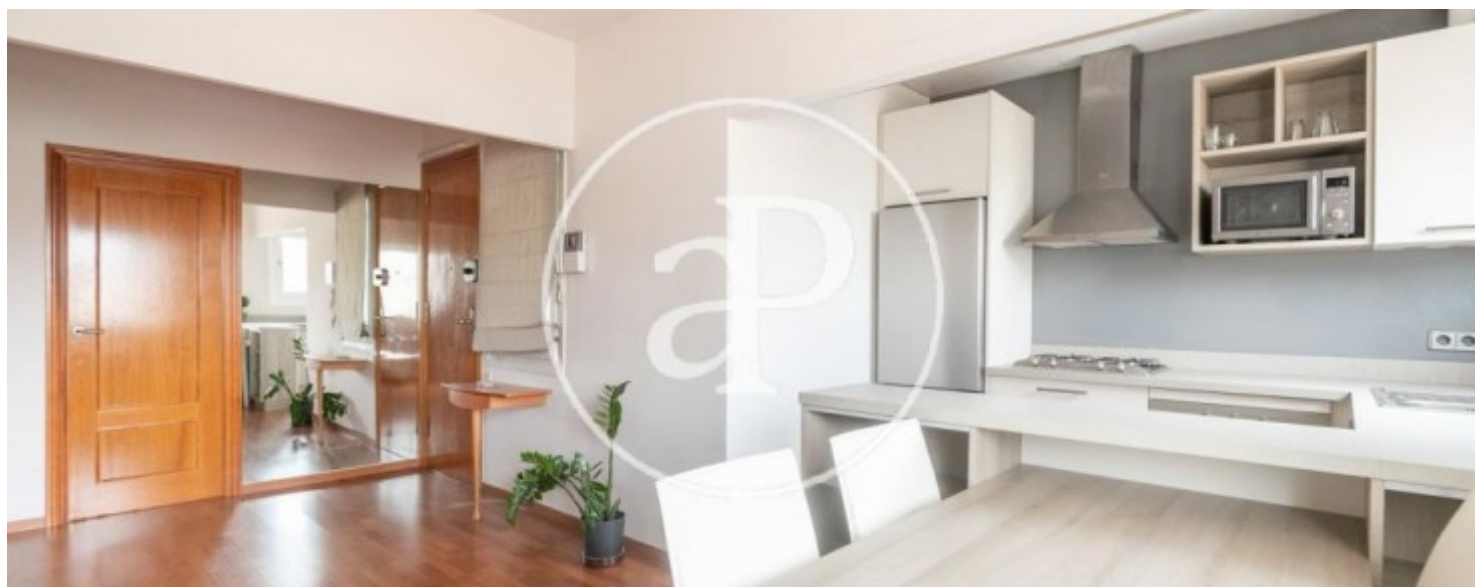

In a very quiet street of Vila de Gràcia, we find this cozy over-attic, with views and lots of light throughout the day. The living room has a parquet floor, a fully equipped kitchen/diner and a dining table that separates this space. Two windows provide a lot of light and make this room a place of disconnection. A large room with full bathroom and dressing room with office table that we found to the right of the entrance of the housing. This one gives to a pleasant gallery with all the afternoon sun, where the zone of waters is located. It has an unbeatable location, surrounded by all kinds of shops, means of transport and

a car park on the same street. The unobstructed views make us enjoy a lot of tranquility and make this over-attic very cozy. The plus, a communal terrace on the roof, very enjoyable and little crowded.
