Bright flat located between Gràcia and Park Güell.

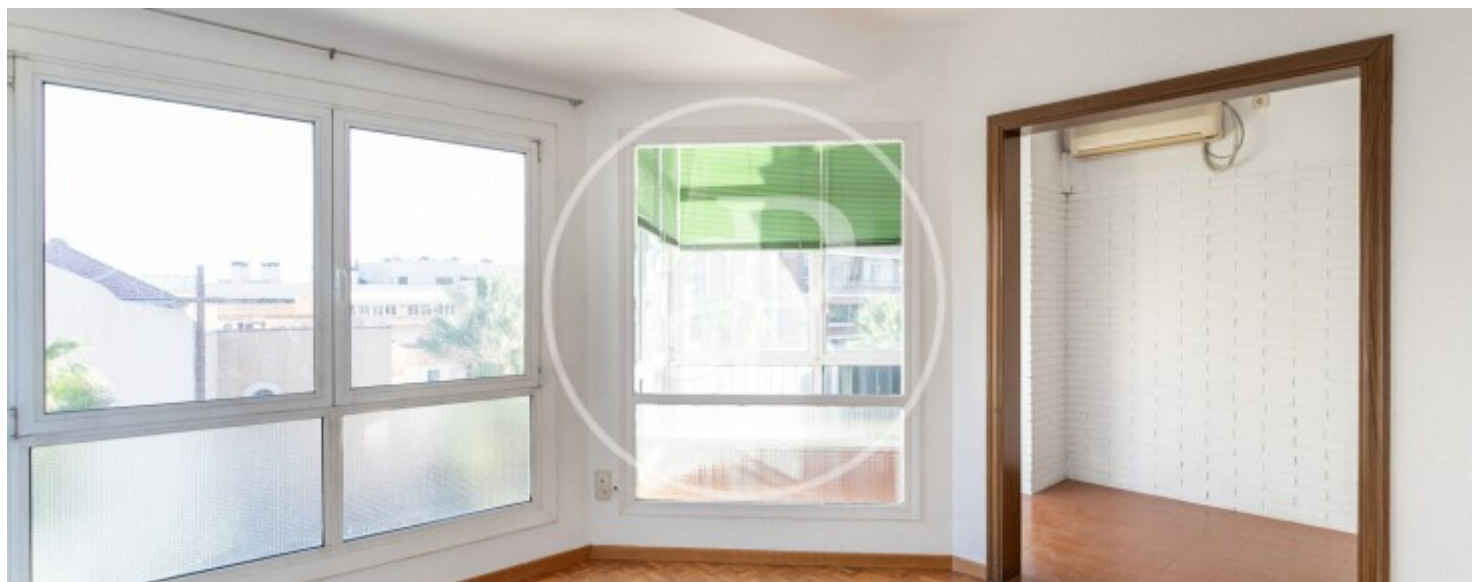

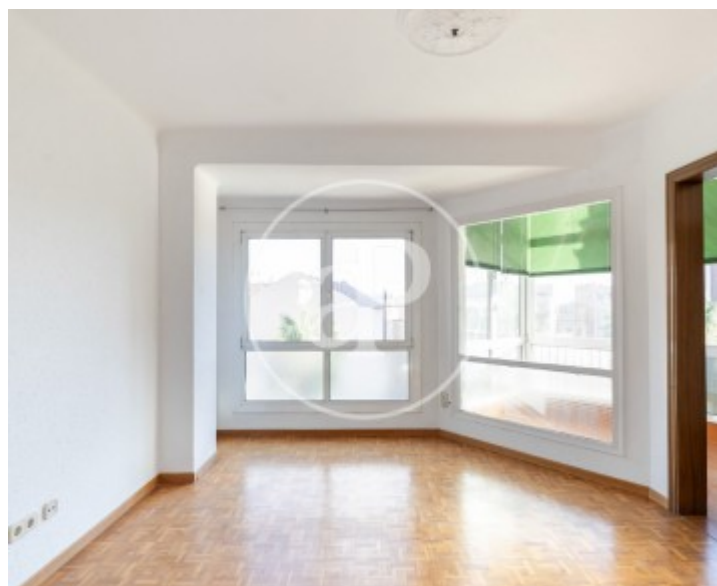

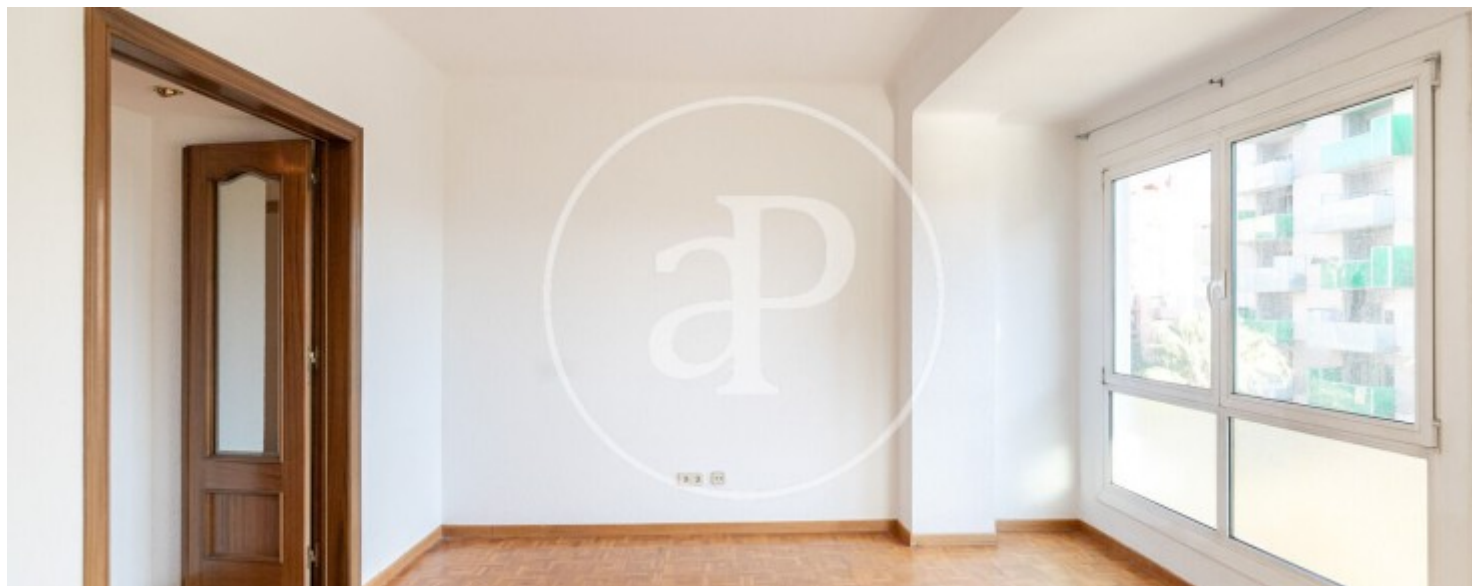

It is surrounded by shops, services and public transport. Located on a first floor with lift, we find this completely refurbished flat. In the day area, it has a living room with lots of light, views to the city and for those who like decoration, it can be very well decorated, because it has a partial reform and with design details it could be very nice. The kitchen is very well equipped with a window to a large patio. In the night area, we have two bedrooms facing the patio de luces and the third bedroom is located in the front of the flat as well as the living-dining room. The

bathroom is complete with shower. It is ideal for a family with children or couples who want to invite their relatives from outside. Also someone who buys it to rent it because it is close to Cap de Gracia and very well communicated. We invite you to visit it at any time of the day because of the luminosity it has all day long.
