In a quiet street in Vila de Gràcia, this beautiful apartment on the first floor of Perill Street is for sale.

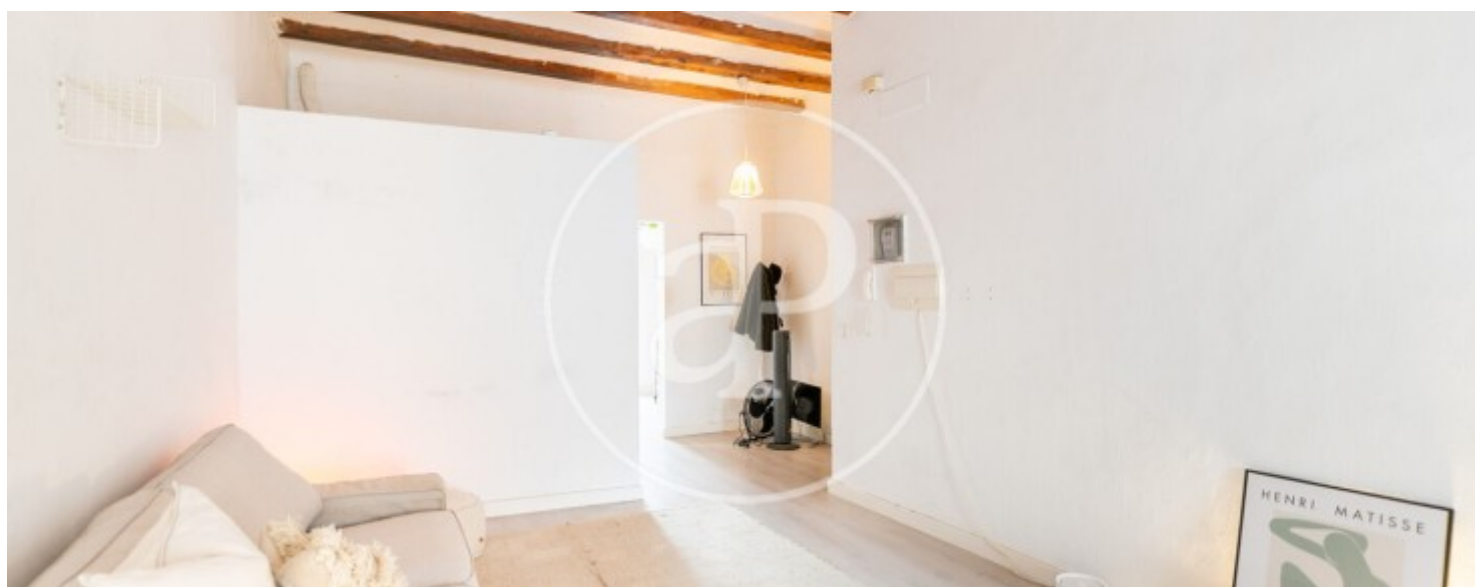

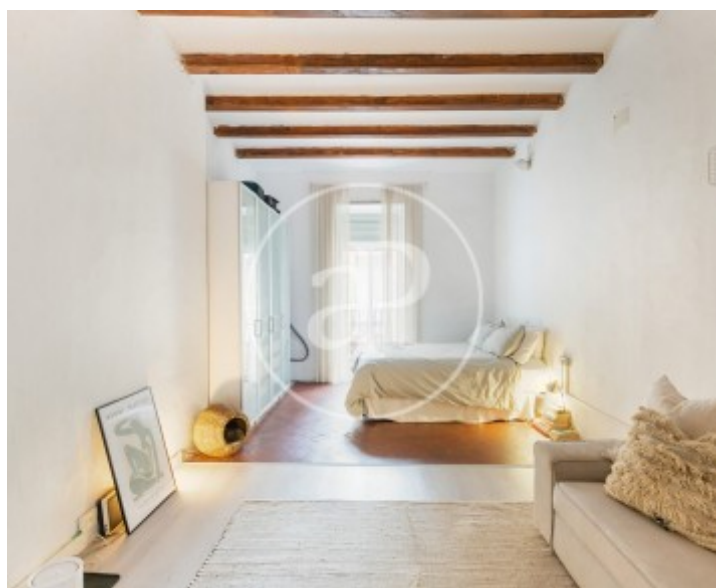

Originally a 3-bedroom apartment, a few years ago it was renovated as a loft-type home, with only one room open to the dining room to make the most of the light. The apartment has a double orientation and exit with a balcony on both sides, a semi-open kitchen renovated and in very good condition to a beautiful south-facing gallery with views of a quiet courtyard. Bedroom and living room located in the same room and separated by mobile furniture, complete bathroom with shower that needs a little renovation. In the apartment

the original wooden beams were recovered, so it has very high ceilings, combined with parquet floors and original tiles. Request a visit as soon as possible!
