Design, luxury and exclusivity are the best adjectives that describe this spectacular villa of 957sqm (677 sqm of living space) built by a prestigious architect, taking care of the smallest detail throughout the house. Located on a large, flat and landscaped plot, close to the FGC Bellaterra station, it enjoys a fantastic and unbeatable location in its plot of 2,749 sqm with private pool, summer dining room with barbecue, chill out area, paddle tennis court and separate office. The house is distributed over 3 floors, on the first floor we find a large and spacious entrance hall that leads to a spectacular double height living room that thanks to its large windows allows us to go out to the outdoor space composed of porch / chill out area, garden area and private pool, all facing SOUTH oriented or to a

unique courtyard as a whole. We also find an office kitchen with central island of the best qualities, fully equipped with the most exclusive appliances of the PREMIUM brands on the market, Gaggenau appliances and central island of the Bofill brand, among others, pantry and separate laundry area. Following our tour we find 4 bedrooms, all exterior, spacious, bright and with large fitted closets (fully clothed), two of them in suite format with bathroom and dressing area. There is also a guest toilet. Thanks to a beautiful staircase from the entrance hall we access a large multipurpose room...
