Privacy, Design and Open Views of the Sierra Calderona Located on an exclusive private street in Torre en Conill, this elegant home built in 2006 sits on a 930 m² plot and enjoys stunning open views of the Sierra Calderona. A residence where light, spaciousness, and construction quality blend seamlessly with a privileged natural setting, just moments from the prestigious Club de Golf Escorpión. The property is distributed over two clearly defined floors: On the main floor, the living-dining area opens onto the garden and pool area, creating a smooth indoor-outdoor connection. A spacious kitchen, a separate home office ideal for remote work, and a guest toilet complete this level. Upstairs, there are three double bedrooms, two of them with en-suite bathrooms, offering privacy and comfort.

The exterior has been designed for enjoyment: a swimming pool with jacuzzi and counter-current swimming system, covered lounge area, low-maintenance garden, and a garage with space for three vehicles. Built with top-quality materials — ventilated façade, Porcelanosa porcelain flooring, underfloor heating powered by aerothermal energy, dual climate control system, high-efficiency carpentry, and security system — this property represents a unique opportunity for those seeking exclusivity and tranquility without giving up proximity to Valencia. A home to live in. To enjoy. To...
