Urban Plots for Sale for Residential Development in Consell

Features

Surface

1,787 m²

Price

1,100,000 €

An outstanding investment opportunity in Consell.

This offering comprises three consolidated urban plots, sold together, with a total land area of 1,786 m² and a feasibility study for the development of up to 17 residential units. An exceptional opportunity for developers, construction companies and investors looking to undertake a residential project in one of the most promising areas in the heart of Mallorca. The plots benefit from an architect-prepared feasibility study, providing a clear vision of the site's development potential. Their configuration and location offer an excellent foundation for creating a modern, functional residential development tailored to

current market demand. The proposed scheme allows for the construction of up to 17 semi-detached homes, including dedicated parking areas and an efficient layout designed to maximise the use of the land. A compelling opportunity to deliver a high-quality residential project in an area experiencing growing demand. The sale includes all three urban plots as a single package, allowing the project to be developed as one unified scheme. The existing feasibility study supports the assessment of the project's viability and provides a valuable technical basis for developers and investors. The plots...
