We present a magnificent stone house full of possibilities, on one floor, located on a plot of more than 3500 m² in the best urbanisation of Boadilla del Monte, with access barrier and 24 hour security. Currently, the house is distributed in two different areas. In the day area we find two large living rooms connected to each other that add up to 100 m², a cosy and spacious kitchen in wood with access to another living room of 40 m² with fireplace. In the sleeping area, there are three large bedrooms sharing a bathroom, and the large master bedroom with en suite bathroom and dressing room. In the large garden, with imposing trees and sunny areas, we can enjoy the swimming pool and great moments shared both on the porch and in the barbecue area. The house is completed by two fully

equipped and fitted out cottages, perfect for guests or domestic service. The house, built with solid and well cared materials, is full of possibilities, as the plot has not exhausted the buildability. Can you imagine living here?
