### Spectacular Villa in the area of Santa Ponsa Country Club for sale.

On a corner we find this beautiful house which is built on a land area of 1500 SQM and consists of two floors, with a construction type with Majorcan essence, spacious terraces and almost 350 SQM of construction, roofs with Arabic tiles. From the upper floor, the views to the bay of Santa Ponsa are exceptional and you can also appreciate the beauty of the garden with large trees and an overflowing swimming pool at the front of the house. As soon as one arrives, one enters through a garage door with remote control and enters a courtyard with access to the main door of the house,

with a covered garage for more than two cars on the right hand side. On the ground floor there is a large living-dining room with direct access to the kitchen which has an office and also large pantries with access to the garage. A bedroom on the ground floor with bathroom en suite and a guest toilet. By a staircase with a beautiful steel railing we go up to the first floor where we find three more bedrooms and of course all of them with access to terraces and each one of them with bathroom en suite. Don't miss this property, as it could be the perfect house...
