In an exclusive residential area. Beautiful villa distributed in two floors of 140 sqm each one and a garden with sea views (in which there is a project to build a swimming pool) on a plot of 2000 sqm. The main entrance leads into a hall which opens onto a living/dining room with terrace and open kitchen, decorated in a classic semi-rustic Mediterranean style, which with the spectacular light that enters through the large windows makes it a truly welcoming space. On this floor there is also the laundry room and a

toilet. On the lower floor there are three double bedrooms, a common bathroom and another en-suite bathroom again all in a bright and Mediterranean atmosphere.
