This magnificent recently built villa, only two years old, is located in the prestigious Llama de Molina residential area in Catadau, just 28 minutes from the city of Valencia.

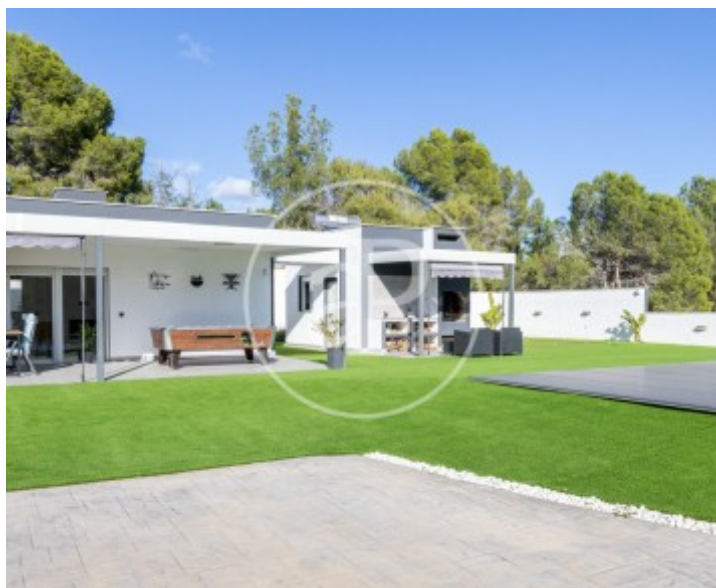

The property is in perfect condition and stands on a large urban plot of over 1,100 m², fully legalized and with all utilities — water, electricity, community fees, and property tax — up to date. Built with the Steel Framing or light steel structure system, the house offers all the advantages of this type of construction: superior energy efficiency, top-quality thermal and acoustic insulation, great structural strength, and minimal maintenance over time. Every detail of this

property has been designed to combine comfort, sustainability, and durability. The setting is truly privileged, with panoramic views of the mountains and the sea from the hillside, in a golf area surrounded by nature. The plot includes a well-maintained garden with fruit trees and a drip irrigation system, a private golf green, barbecue area, billiard table, and a storage room. The saltwater pool has a filtration system and is covered with panels during the winter months or when not in use, allowing year-round enjoyment with minimal maintenance. The interior of the house stands out for its...
