In the quiet town of Cubelles Playa, known as a second-home destination during the warmer months of the year, we find this charming design apartment just a few minutes' walk from the magnificent long beach, as well as shops, restaurants and the train station. A true haven of peace and attention to detail, this apartment features a double bedroom with dressing room and full bathroom, a fully equipped kitchen, and a living-dining room with built-in furniture. All spaces are unified by polished concrete flooring, while the kitchen and living-dining areas are separated by a magnificent island. This same space also includes a fireplace and access to the terrace. The night area consists of three spaces: a double bedroom, a custom-made dressing room, and a full bathroom. Thanks to its neutral color

palette and bespoke furniture, everything in this apartment is in perfect harmony, bringing abundant natural light to all rooms. If you are looking to invest in a unique space just minutes from the beach, do not miss the opportunity to visit this apartment.
