In one of the most demanded areas, and only 2 kilometers from Barcelona, we find a unique enclave, not only for its level of comfort and services, but by the identity that breathes the whole.

The area is at the neuralgic point, with very good communications and close to the main international schools. The house we present has everything you need to enjoy the home, with the comfort and convenience that gives the space well distributed. With three bedrooms and two very large rooms that can be used as multipurpose areas to provide the service that best suits your lifestyle. It has a gym, office, games room or separate dining room with two levels and direct access to the

garden; plus an attic with a nice terrace, and parking for two cars. The house has many fitted closets and storage area. It is a very well preserved house, prepared and ready to live in. If you are one of those who want to give your touch, with very little you will get to customize it, by the neutrality of the materials and the possibilities of change without the need for comprehensive reform. The private enclosure where it is located has a beautiful swimming pool and a large garden area, gym, paddle tennis courts and restaurant area. Contact your Aproproperties consultant for a visit.
