Three-bedroom flat in one of the best areas in the centre of Esplugues.

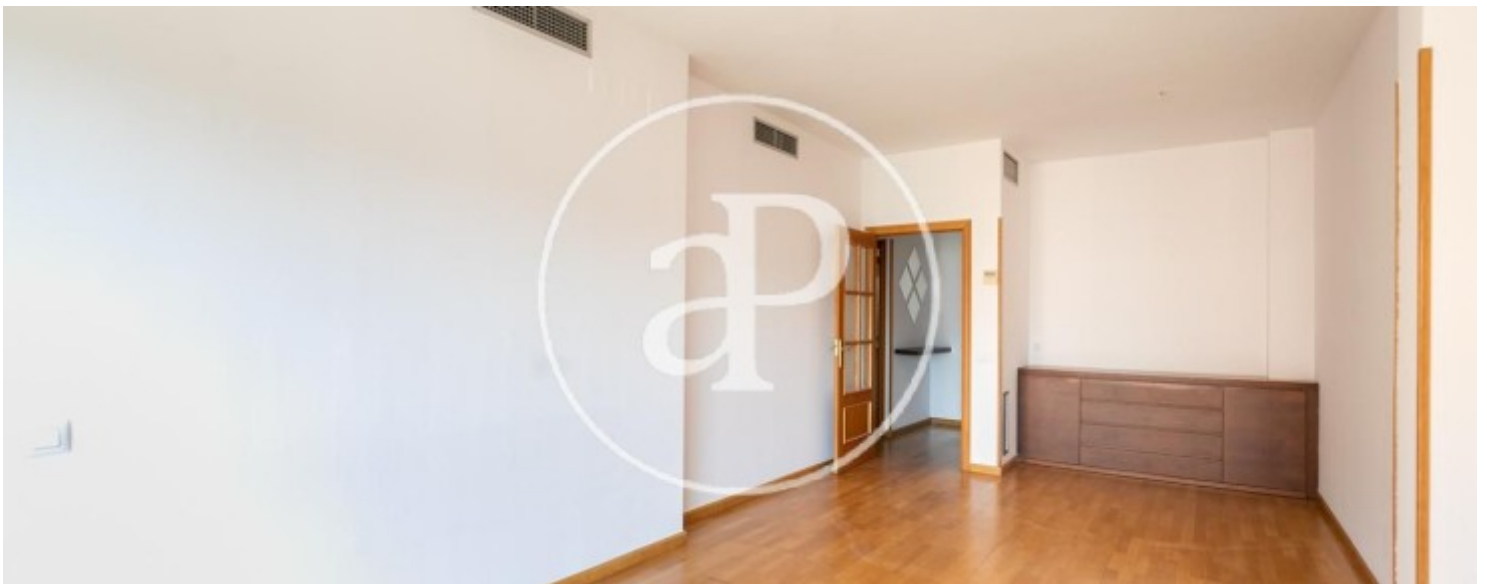

Completely outside, we highlight the light and sun, with a large living room and closed kitchen but with the possibility of connecting it to the living room, has water area also outside. The apartment is originally but very well preserved, freshly painted and ready to enter. If you are one of those who has an interior design project, you will love this flat because of the possibilities it offers. Esplugues is very close to Barcelona and has an exceptional quality of life. Its proximity to the city and yet its residential areas make it an ideal place to live in a relaxed way with all the

comforts, The apartment we present is located in a pedestrian area, surrounded by trees and a charming village setting. One of the attractions is that it has all the services very near, 5 minutes walking; the airport is 10 minutes by car, very good connection with the rounds and 10 minutes from the Collserola park. We love this flat, for its unbeatable location, for the environment, the light, and for the comfort of all the services so close, but at the same time being an excellent residential area.
