Three-bedroom apartment in the center of Esplugues.

Renovated five years ago but barely used, this apartment has a perfect layout, featuring a spacious kitchen with a great workspace, located next to the dining area, with the possibility of opening it up to create an open-plan space. The living room has a large vertical window, offering a wide street view and an open horizon. It includes two exterior bedrooms, one of them a spacious master bedroom, and two single bedrooms. From one of the rooms, there is access to a small patio, perfect for a laundry area. We love this apartment for its location, its layout, and the warm atmosphere it conveys. Its neutral style

makes it the perfect blank canvas to turn it into your home. Contact your Aproperties advisor for more information and visits.
