House of 493 meters built, plus terraces, on a plot of 801 square meters.

The property is distributed over four floors, connected with elevator. It stands out for its privileged location, with stunning views of the sea and the Collserola mountain, functional and cozy, with high ceilings and large windows, this house has been completely renovated, using the highest quality materials, with a modern, neutral and timeless design. The first floor, on two levels, consists of a beautiful living room with fireplace, and access to a beautiful terrace with great sea views and private garden. In this same area, we find an area for library, large kitchen with access to the

outside, water room and toilet. The second floor is the sleeping area and has two double bedrooms and a master suite with large closet area; and bathroom with a large window with views and light from the distributor. On the second floor, multipurpose space, which has its own bathroom and access to a large sun terrace with views. It highlights the semicircular glass; it is a perfect area as a guest room, office, gym, or any other utility. On the lower floor, space with several functions that can be, guest space as it has a large living room, double bedroom and bathroom. From the living area...
