The house we present has an unbeatable location, close to international schools and surrounded by all services.

At the foot of the living room we find the beautiful garden for private use, which will make this room a privileged place, for its tranquility, light and possibilities to turn this floor into a real oasis. It has four bedrooms, one of them with access to the terrace. Its state of conservation is good, although if you are one of those who want to renovate, it is a house that can become a real bombonera. It has everything you need to enjoy comfortably in an unbeatable location. A safe bet to live and enjoy.
