Ciudad Diagonal is the most exclusive area of Espulgues de Llobregat and one of the best places to live.

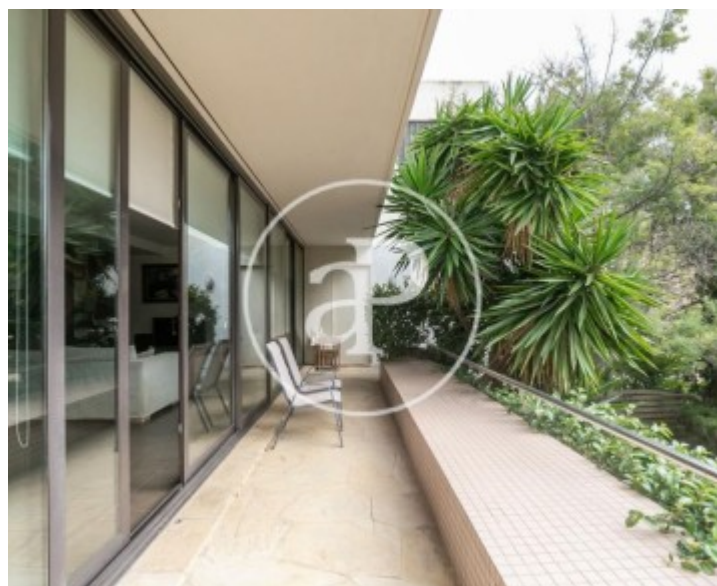

Very close to Barcelona, this charming town is the place chosen by all those who do not renounce the comforts of Barcelona, its services, leisure offer... but who want something more: contact with nature. Take a horse ride or play tennis surrounded by green, go to the theatre in Barcelona and sleep contemplating the stars, from the Collserola Mountain; all this you can do on the same day. The house we present is located on a plot of 900sqm close to the German school. Very intimate and perfect to update it and turn it into a home full of charm. It has three

floors, placing the parking on the ground floor. On the ground floor there is a bedroom, living-dining room with fireplace and washbasin. We emphasize the luminosity, the intimacy, the windows and the direct access to the garden with swimming pool. On the upper floor is the night area with large windows overlooking the garden. One of the peculiarities of this house is that it has a second house of 120 sqm completely independent, has two floors, garage and a beautiful garden. This second house can serve as a guest house or give you the utility that best suits your lifestyle.
