## Flat with four winds with open garage and storage room.

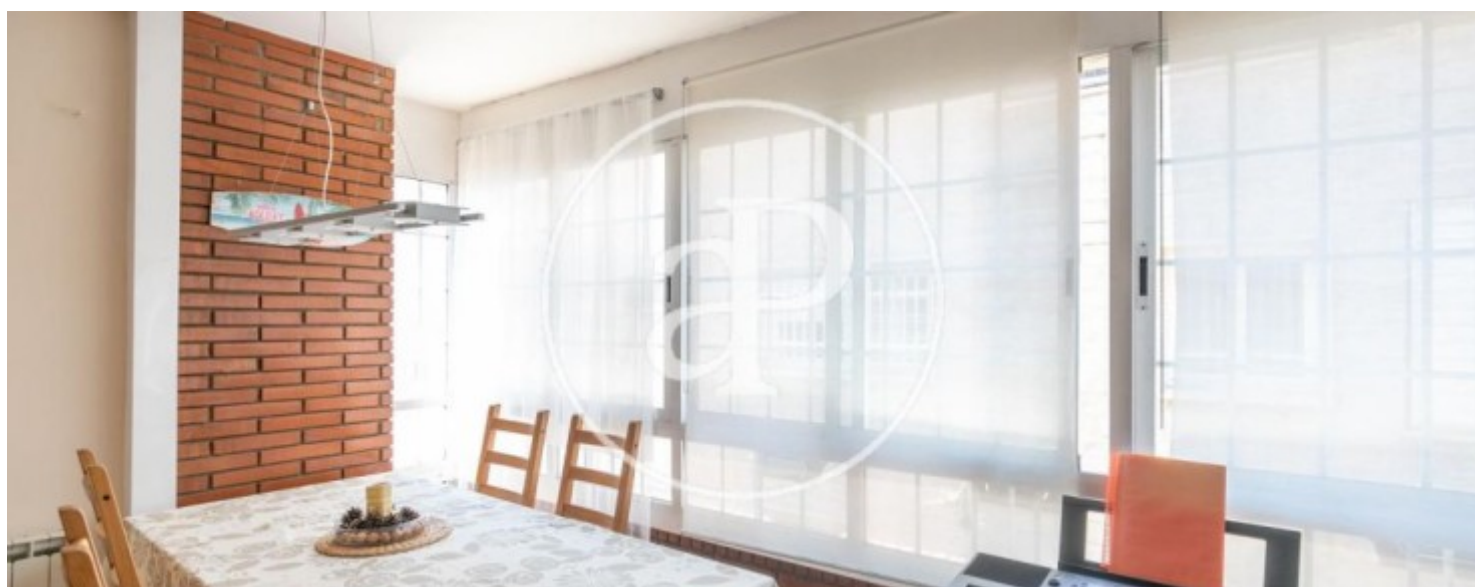

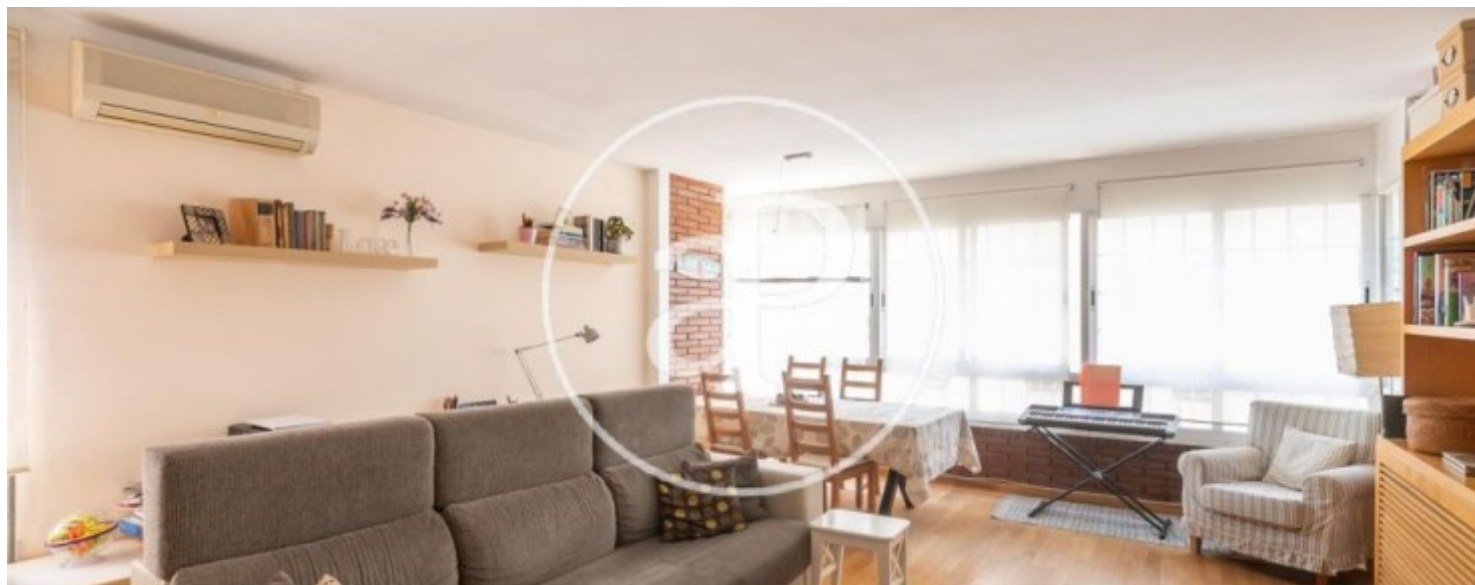

If you are thinking of a quiet place, surrounded by nature, but very close to all services, this is your flat. Esplugues is one of the municipalities of the Baix Llobregat with more charm and better communicated with Barcelona, less than two kilometres from the big city, you will have the sensation of being on holiday; because of its proximity to the Collserola park, you can enjoy all the advantages. Nearby are the best international schools and the Hospital de Sant Joan de Dïos, international reference center in pediatrics. The property we present is located very close to Barcelona in a quiet estate of few

neighbors. It has two very bright rooms and a square living room. Has an outdoor parking place where you can leave your car, as well as an area where you can rest, read, feel like you are on holiday, but is nevertheless very well communicated. The flat is ready to move in, although it has many possibilities, if some reform is carried out. With a good orientation and a lot of light, this cozy flat will be a good choice, whether it is to live or if you want to have a good return. Contact your Aproproperties agent to arrange a visit.
