A spectacular home, full of character, light and personality.

Some homes are simply renovated, while others are brought back to life to become something truly special. This property is one of those homes: a newly renovated house with an abundance of charm, personality and an energy you can feel the moment you walk through the door. This corner house is situated at street level and offers easy, convenient access. It perfectly combines the character of a home with its own distinctive essence with excellent quality finishes and every comfort needed to enjoy it from day one. Inside, we find three bedrooms and two bathrooms, as well as an exceptionally spacious living room filled with natural light and centred around a beautiful fireplace that brings warmth, character and that cosy atmosphere that makes every moment feel special. The kitchen, located next to the inner patio, enjoys a practical and pleasant setting. One of the home's most surprising features is its exceptionally large pantry, which also includes a small space dedicated to wine storage. A detail that makes all the difference and is certainly not...
