In one of the most sought-after residential developments in Las Tablas, this bright exterior property stands out for its spaciousness, privacy, and residential quality.

It offers 102 m² plus a magnificent 32 m² terrace, a distinctive space with the possibility of enclosure and integration into the property, which would allow for an extension of the living area or the creation of a unique additional space. The layout is comfortable and functional, featuring a pleasant living-dining room with direct access to the terrace, two bedrooms with built-in wardrobes, two full bathrooms, and a fully equipped kitchen with a separate utility area, all with access to the

terrace. The property includes finishes that provide warmth and comfort, such as parquet flooring, wooden interior carpentry, plaster ceilings, recessed lighting, air conditioning, and an individual natural gas heating system. The price includes a parking space and a storage room. All this within a private residential complex with well-maintained communal areas, including a swimming pool, large landscaped gardens, children's area, and community room, set in a quiet and established environment with excellent transport links and services. An ideal option for those seeking quality of...
