aProperties Real Estate presents this newly built villa in Valdebebas, one of the most prominent residential areas in Madrid.

Built in 2021, the house offers 324 m2 designed for those seeking spaciousness, privacy and a seamless connection between interior and exterior. Its contemporary architecture, marked by a spectacular central skylight, fills each floor with natural light and enhances the sophisticated and functional character of the house. Distributed on three levels, the main floor houses a double height ceiling lounge open to the private garden, the pool and a pleasant chill out area. The kitchen, fully equipped with high-end appliances, can be integrated or

independent depending on the moment. On the first floor there are three bedrooms, including a master bedroom with dressing room and en suite bathroom, as well as a second full bathroom. The basement incorporates a multifunctional space ideal as an office, guest bedroom or leisure area, next to laundry, storage room and garage for two large cars. The house incorporates heating and cooling floors by aerothermie, solar panels and pre-installation of elevator, combining design, energy efficiency and daily comfort. Its location, next to the Valdebebas Forest Park and with quick connections to the...
