Very bright home with south orientation and a privileged location within the Los Pinos residential development.

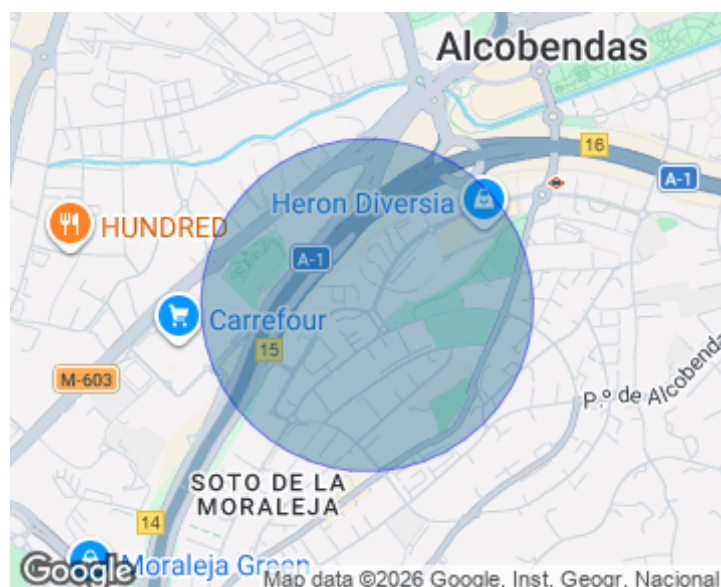

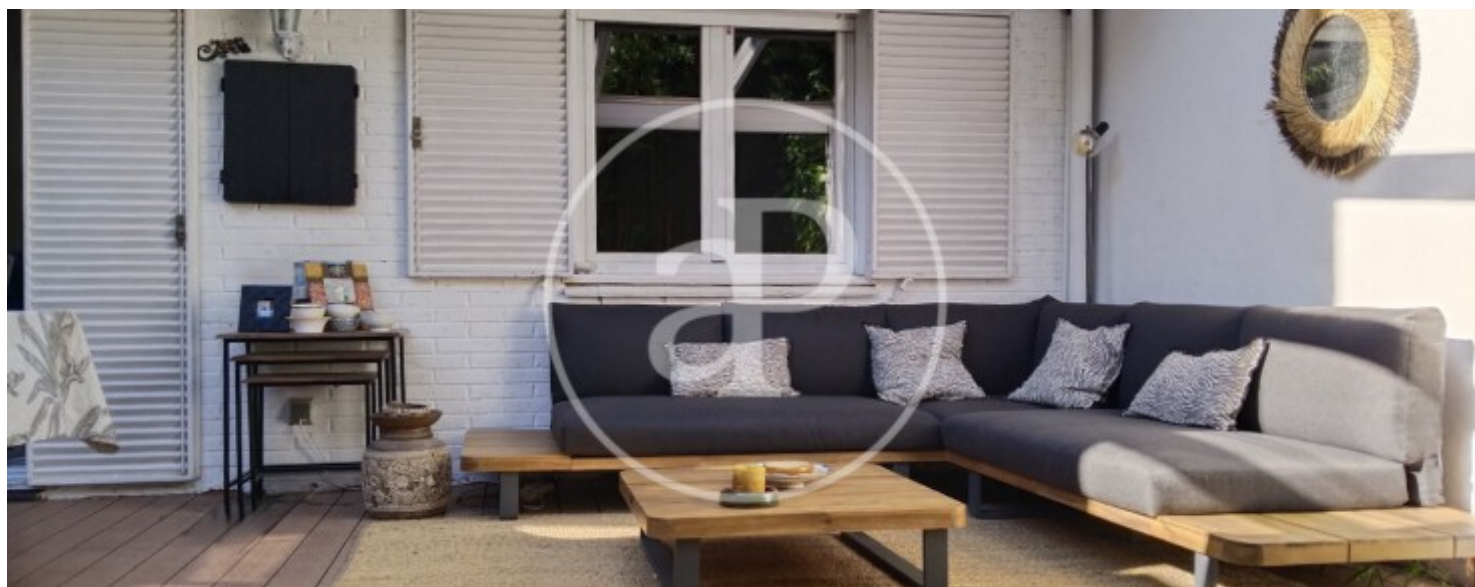

It features 5 bedrooms, 3 bathrooms, and a guest powder room. The house is accessed through a charming and quiet walkway. On the ground floor, you will find an entrance hall, a kitchen with marble countertops, a guest powder room, and a living-dining room with an insert fireplace that opens onto a 42-meter south-facing garden. The garden features a 25-meter porch with a LUMON structure consisting of a roof and folding glass doors that allow the space to be used during both the summer and winter months. The structure includes a large integrated awning. The bamboo

plants in the garden ensure complete privacy from the home located opposite. On the first floor, there are three bedrooms. The master bedroom comes with a dressing room and en-suite bathroom. Two other bedrooms, with built-in wardrobes, share a bathroom. On the second floor, you will find an attic whose layout offers a large bedroom, a smaller one used as a home office, a bathroom, and a 4-meter outdoor terrace. The attic has an extensive low-height wardrobe frontage and features individual air conditioning units in the rooms. The home is equipped with a self-consumption solar energy generation...
