aProperties presents this magnificent opportunity.

Detached villas like this one do not come onto the market every day. The excellent location of Las Tablas, together with its proximity to the village, makes this property a truly special opportunity. The plot has 657 m² that accommodate the house, as well as a closed outdoor kitchen/paellero—perfect for enjoying a good paella or barbecue even on those rare days when the sun hides in Valencia. The plot also includes an outdoor shower and a storage room, among other features. The house has a total of five bedrooms: one of them in the basement floor, with a full bathroom serving this level; two on the ground

floor; and three on the first floor. What makes this home truly unique are its large, open spaces, designed to offer maximum comfort and enjoyment in every room. Its spectacular kitchen with a central island and the large area connected to the living-dining room—featuring a vaulted, attic-style ceiling—will not leave you indifferent. If you would like to discover every detail of this wonderful property, please do not hesitate to contact us. We will be delighted to assist you.
