Some properties are visited, while others are imagined. This one belongs to the latter. From the moment you enter the estate, you get the feeling of stepping into a private, independent space full of possibilities. Mature trees, fruit trees, landscaped areas and a variety of additional buildings and auxiliary spaces create a property with immense character, perfect for those who dream of having their own retreat in the countryside without moving too far away from the city. THE HOME The house offers approximately 200 m² of built space distributed over two floors and features 4 bedrooms and 3 bathrooms, together with a living-dining room and kitchen. The ground floor comprises a living-dining room, kitchen, two bedrooms, one bathroom and a guest toilet. Upstairs, there are two further bedrooms and a bathroom, accessed via a staircase located next to the property's distinctive tower, an architectural feature that gives the house its character and unique identity. The property is partially renovated...
