## Discover a unique home, full of character and with a charm that is hard to find.

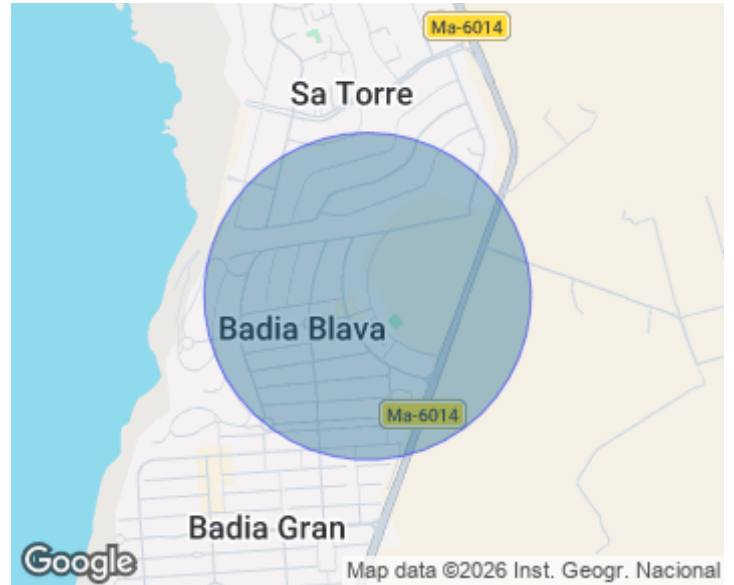

Inspired by Balinese style, this house has been carefully renovated by its owners with a very clear goal: to create a space where every day feels like being on holiday... and they have achieved it. From the very first moment, the property conveys a serene and enveloping atmosphere. The combination of wood, natural tones and abundant vegetation creates a true zen sanctuary, perfect for disconnecting from daily life and enjoying your home. The house is delivered fully furnished, ready to move into and start enjoying from day one. It features two spacious bedrooms, both with walk-in

wardrobes, one of them en suite, which includes a full bathroom equipped with a shower and a hydromassage bathtub. In addition, the property includes a guest toilet. The living room, bathed in natural light, blends harmoniously with a fully equipped kitchen, designed in line with the home's warm and natural style. Outside, there is a spacious garden with a cozy porch, ideal for enjoying both in winter and summer, whether relaxing or hosting gatherings with family and friends. On the upper floor, a terrace offers stunning views of the sea and the mountains, making it the perfect place...
